- 4.3** The Driver shall use the Vehicle as a careful and diligent owner and for its intended purpose in accordance with these Driver Terms.
- 4.4** The Driver shall comply with the Vehicle operating requirements established by the manufacturer of the Vehicle as specified in the Vehicle usage manual which is kept in the Vehicle, sections 4 and 5 of these Driver Terms, the Traffic Regulations of Place of Operation, the Insurance Regulations and other applicable laws of Place of Operation. The Driver shall also comply with other Vehicle operating requirements which are not mentioned herein but are considered as ordinary requirements for use of such property.
- 4.5** The Driver shall immediately notify Beast in accordance with section 1.3 and, if necessary, the respective public authority (e.g. police, fire service) if the Vehicle is damaged, destroyed, breaks down, lost (including confiscated) or otherwise becomes unsuitable for use, or if there any other circumstances preventing the use of the Vehicle. A failure to notify Beast and, if necessary, the public authority in accordance with the previous sentence shall result in a contractual penalty in the amount of **EUR 1,500**.
- 4.6** The Driver shall use the Vehicle personally unless an Additional Driver has been added, verified and confirmed to use the Vehicle. The Driver shall not sublease the Vehicle, transfer

the Vehicle to another person or allow another person to use the Vehicle without a prior written or clearly confirmed consent of Beast. - 4.12** At the request of Beast, the Driver shall pay to Beast a contractual penalty in the amount of up to **EUR 2000** for the non-performance, breach or improper performance of any of the obligations set forth in these Driver Terms if no other remedy for the respective breach is set forth in these Driver Terms.

- 4.17** If Beast fails to ensure proper provision of the Services to the Driver (i.e. the Vehicle is not in the specified Drop-Off Area or the Vehicle is not in good order or cannot be operated), after the Driver has notified Beast of such circumstances by phone in accordance with section 1.3, Beast shall, at the Driver's choice, (i) pay the Driver's costs for one taxi ride agreed over the phone not exceeding the amount set forth in the Mobile Application or (ii) deliver another Vehicle to the Driver not later than within three hours. For the avoidance of doubt, Beast shall not be liable for any other costs or damages incurred by the Driver as a result of such circumstances.
- 4.18** Beast shall not be liable for the damages incurred by the Driver because of their inability to use the Vehicle in the event of an accident or due to other reasons outside the control of Beast.
- 4.19** Beast will do its best to ensure that the Mobile Application and the Website are safe and secure and they would not contain viruses or other damaging property. However, to the maximum extent permissible under applicable laws, Beast assumes no liability for any damages caused by third parties or by circumstances outside the control of Beast (including any hacker attack, technical failures, defects, bugs or viruses affecting the Mobile Application or the Website, the Driver's failure to follow these Driver Terms and any action taken by public authorities).
- 4.20** Beast shall be liable for and shall be obliged to compensate to the Driver only direct monetary damages (and for the avoidance of doubt, no indirect damages or loss of profits) and only on the condition that such damages are caused to the Driver by Beast either intentionally or due to gross negligence. The liability of Beast is reduced by the amount equal to the damages which the Driver could have avoided by taking reasonable efforts.
- 4.21** If the Driver cannot properly use the Services, the Driver shall notify Beast in accordance with section 1.3. Attempts shall be made to settle a dispute by mutual agreement of the parties or under the procedure established under applicable laws. Any claims in relation to the Services shall be brought by the Driver not later than within three (3) months from the date of use of the Services. Beast shall respond to the Driver's claim as soon as possible but, in any case, not later than within fourteen (14) calendar days from the date of receipt of the claim. If the Driver deems that Beast has not satisfied their claim or has satisfied it only partly, the Driver may approach a dispute resolution body (to determine the relevant body and to get detailed information, the Driver can use the following European Commission's website: <https://ec.europa.eu/consumers/odr>).
